

Thank you for your interest in our Adventure Scuba's Discover Scuba Program. It is a great way to try our Scuba and see what all the excitement is about. During your Discover Scuba pool dive, you will be able to experience the thrill of scuba diving.

Your Discover Scuba experience begins upon registering for the class. You will register for the course, complete the liability and medical forms and complete a short elearning course. You can do this on your mobile device or on your computer. The process takes between 20 and 30 minutes.
